SURVEY NO-257, PLOT NO. 23 TO 28,
N.H. NO. 8-B, SHAPAR (VERAVAL),
RAJKOT-360002 GUJARAT INDIA

I have examined the compliance of the conditions of Corporate Governance by Captain Pipes Limited ('the Company') for the year ended March 31, 2025, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs (MCA) and Securities and Exchange Board of India (SEBI), I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations during the year ended March 31, 2025 except there were several cases when there was delay in uploading details on website of the company.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
Captain Pipes Limited,
Rajkot.

Report on the Audit of the Standalone IND AS Financial Statements Opinion

1. We have audited the accompanying Ind AS Standalone financial statements of **Captain Pipes Limited, Rajkot**(CIN:L25191GJ2010PLC059094)(the "**Company**"), which comprise the Balance Sheet as at 31March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended and notes to standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "**Ind AS Standalone financial statements**").
- 2 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Standalone financial statements give the information required by the Companies Act, 2013 (the "**Act**") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (the "**Ind AS**") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

1. We conducted our audit of the Ind AS Standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Ind AS Standalone financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

- 1 Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements for the financial year ended 31 March 2025. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.
2. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

**Completeness of revenue (as described in note 2(ix)
(Summary of material accounting policies) and note 24 of notes to
the Standalone financial statements for the year ended 31 March 2025**

Key audit matters	How our audit addressed the key audit matter
<ul style="list-style-type: none"> The Company has revenue from sale of products which includes finished goods. The Company is engaged in manufacturing of PVC Pipes as per specification provided by the customers and based on the schedules from the customers. The Company recognizes revenue from sale of goods at a point in time when control of the goods is transferred to the customer, based on the terms of the contract with customers which varies for each customer. Determination of point in time includes assessment of timing of transfer of significant risk and rewards of ownership, establishing the present right to receive payment for the products, delivery specifications including Inco terms, timing of transfer of legal title of the asset and determination of the point of acceptance of goods by customer. Further, the pricing of the products is dependent on metal indices and foreign exchange fluctuation making the price volatile. Due to judgments relating to determination of point in time in satisfaction of performance obligations with respect to sale of products, this matter has been considered as key audit matter. 	<p>We performed the following audit procedures, amongst others:</p> <ul style="list-style-type: none"> We obtained an understanding of the Company's sales process, including design and implementation of controls over timing of recognition of revenue from sale of goods and tested the operating effectiveness of these controls We reviewed the Company's accounting policies for revenue recognition in context of the applicable accounting standard. Obtained customer contracts on sample basis and read the terms to assess various performance obligations in the contract, the point in time of transfer of control and pricing terms. Tested on a sample basis sales invoice for identification of point in time for transfer of control and terms of contract with customers. Further, we performed procedures to test on a sample basis whether revenue was recognized in the appropriate period by testing shipping records, good inwards receipt of customer, sales invoice, income-terms etc. and testing the management assessment involved in the process, wherever applicable. Attended and observed the inventory count performed by the management at year-end and obtained confirmations for inventory lying with third parties. Circulated the confirmations for outstanding trade receivables on sample basis on year end, and performed alternate procedures for the confirmations not received. We also performed various analytical procedures to identify any unusual sales trends for further testing We assessed the disclosure is in accordance with applicable accounting standards.

Information Other than the Standalone financial statements and Auditor's Report thereon

1. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS Standalone financial statements and our auditor's report thereon.
2. Our opinion on the Ind AS Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
3. In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
4. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Standalone Financial Statements

1. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
2. In preparing the Ind AS Standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
3. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Standalone financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Ind AS Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Ind AS Standalone financial statements, including the disclosures, and whether the Ind AS Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 3 Materiality is the magnitude of misstatements in the Standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone financial statements.
 - 4 We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 5. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 6. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in sub-paragraph (k)(h) below on reporting under clause (g) of Rule 11;

- (c) Accounts of the Company's branch office is audited by us, and therefore, in our opinion, reporting under clause (c) of sub-section 3 of section 143 is not required;
- (d) The standalone balance sheet, the standalone statement of profit and loss statement and other comprehensive income, the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
- (e) In our opinion, the afford said Ind AS Standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) There are no such financial transactions or matters which have any adverse effect on the functioning of the Company;
- (g) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (h) The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in sub-paragraph (B) above on reporting under clause (b) of sub-section (3) of section 143 and sub-paragraph (k)(h) below on reporting under clause (g) of Rule 11;
- (i) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (j) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (K) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (a) The Company does not have any pending litigations which would impact its financial statements.
 - (b) The Company did not have any long-term contracts including derivative contracts; for which there were any materials foreseeable losses.
 - (c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (d) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No.52 of the Standalone financial statements attached herewith, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person/s or entity/ies including foreign entity/ies ("Intermediaries"), with the understanding, whether re coded in writing or otherwise, that the Intermediaries shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.

- (e) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No. 53 of the Standalone financial statements attached herewith, no funds have been received by the Company from any person/s or entity/ies including foreign entity/ies ("Funding Party/ies"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party/ies ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.
- (f) Based on the audits procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub-clauses (i) and (ii) of clause (e) of Rule 11 contain any material mis-statement.
- (g) No dividend has been declared or paid during the year by the Company.
- (h) Based on our examination on test check basis, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and except for the instances mentioned below, the same has operated throughout the year for all relevant transactions recorded in software.
 - 1. The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintain the books of account for the period 01 April 2024 to 31 March 2025.
 - 2 The feature of recording audit trail (edit log) facility was not enabled at the application layer of accounting software used for all other branched than Head Office for the period 01 April 2024 to 18 April 2024.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for accounting software, we did not come across any instance of audit trail feature being tempered with.

Further, as proviso to sub-rule 1 of Rule 3 of the Companies (Account) Rule, 2014 is applicable from 01 April, 2023, reporting under sub-rule(g) of Rule 11 of the Companies (Audit and Auditors) Rule, 2014 on preservation of

ANNEXURE-A

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

1. We have audited the internal financial controls over financial reporting of **Captain Pipes Limited, Rajkot** (the “Company”) as of 31 March 2025 in conjunction with our audit of the standalone IND As financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

1. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

1. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
2. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
3. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

1. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

1. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

1. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

In terms of the information and explanations sought by us and given by the Company and the books of account made available to us in the normal course of audit and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment.
- (B) The company does not have any intangible assets during or as at the end of the year, the provisions of this sub-clause are not applicable to the company.
- (b) All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned program of verifying them once in three years which is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant, and Equipment (including Right of Use assets) or intangible asset or both during the year, and hence, this clause is not applicable to the Company.
- (e) No proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The Management has conducted physical verification of inventory including lying with third parties at reasonable intervals during the year. In our opinion the coverage and the procedure at each verification by the management i.e. appropriate discrepancies of 10% or more in the aggregate for each class of inventories were noticed on each physical verification and have been properly dealt within the books of accounts.
- (b) The Company has been, during the financial year 2024-25, sanctioned working capital limit in excess of five crore rupees, in aggregate, from bank on the basis of security of current assets. As mentioned in Note No. 45 of the Financial Statement attached herewith, the quarterly returns or statements filed by the Company with bank are not in agreement with the books of account of the Company. The reason for such non-agreement is given in the table in the said Note No. 45.
- (iii) The Company has not, during the year, made investment in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties.
 - (a) As the Company has not, during the year, provided loans, or provided advances in the nature of loans or stood guarantee, or provided security to any other entity, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.
 - (b) As the Company has not, during the year, made investments, or provided guarantee, or given any security, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
 - (c) As the Company has not, during the year, granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.

- (d) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
- (e) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) The company has complied with section 185 and 186 of the Companies Act, 2013, wherever applicable.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act and such accounts and records have been made and maintained.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, cess, and any other statutory dues to the appropriate authorities, though there had been some delays in certain cases. Further according to information explanation given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, duty of customs, goods and services tax, cess, and other material statutory dues were in arrears as at 31 March 2025 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no material dues of income tax, duty of customs, duty of excise, goods and services tax, and cess which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) There were no transactions, not recorded in the books of account, which have been surrendered or disclosed as income during the year in the tax assessment under the Income-tax Act, 1961.
- (ix) (a) The company has not defaulted in repayment of dues to financial institutions or banks or any other lenders during the year under audit. The Company has not taken any loan or borrowing from Government and has not issued any debenture during the year.
- (b) The Company is not a declared willful defaulter by any bank or financial institution or other lender.
- (c) The term loans taken during the year have been applied for the purposes for which those were obtained.
- (d) The funds raised on short-term basis have not been utilized for long-term purposes.
- (e) The company has not borrowed funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) On the basis of the records examined by us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) During this Year, and therefore, this clause is not applicable.

- (b) The Company has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of the preferential allotment or private placement of shares. The funds raised, have been used for the purposes for which the funds were raised.
- (xi) (a) We have not noticed any fraud (i.e. intentional material misstatements resulting from fraudulent financial reporting and misappropriations of assets) on or by the company, during the year. Further, the management has represented to us that no fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year. However, we are unable to determine/verify as to whether any such reporting has been made during the year or not.
- (b) The auditor of the company has not filed any report under sub-section (12) of section 143 of the Companies Act, 2013 in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014.
- (c) We have not received any whistle-blower complaints during the year under audit.
- (xii) This clause is not applicable to the Company as the Company is not Nidhi Company.
- (xiii) All transactions with related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the financial statements etc. as required by the applicable Indian Accounting Standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have duly considered the reports of Internal Auditor for the period under audit.
- (xv) In our opinion and according to the information and the explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the financial year under audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in Note No.49 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in Note No.55 to the financial statements.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in Note No.55 to the financial statements.
- (xxi) Accordingly, the requirement to report on clause 3(xxi) of the Order is not applicable to standalone financial statement.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR 2024-25

1. Corporate Information:

Captain Pipes Limited. (the "Company") is a public company incorporated under the provisions of the Companies Act, 1956 and is engaged in the business of Manufacturing and Selling of UPVC pipes and fittings from its plant located at Survey no-257, Plot no. 23 to 28, N.N. no. 8-B, Shapar (Veraval), Rajkot-360004.

2. Material Accounting Policy Information:

(i) Basis of preparation :

These standalone financial statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of Companies Act, 2013 and the rules made thereunder. The financial statements are prepared on accrual basis and going concern basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified thereunder, except for certain financial assets liabilities measured at fair value.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle or 12 months or other criteria as set out in the Schedule III to the Companies Act 2013. Based on the nature of its business, the group has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities. The financial statements are presented in Indian rupees rounded off to the Lakhs of rupees and decimal thereof.

(ii) Use of Estimates:

The preparation and presentation of financial statements requires the management to make estimates, judgements and assumptions that affect the amounts of assets and liabilities reported as on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

Information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have significant impact on the amounts recognized in the financial statements are as below:

- Useful lives of property, plant & equipment
- Measurement of defined benefit obligations
- Provisions & contingencies.

(iii) Property, Plant & Equipment:

All the items of property, plant & equipment are stated at historical cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The cost of an Property, Plant & Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into its present location and the condition necessary for it to be capable of operating in the manner intended by the management, and also taking into account the initial estimate of any decommissioning obligation, if any, and Borrowing Costs for the assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only

when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The estimated useful lives of assets are in accordance with the Schedule II of the Companies Act, 2013. Gains or losses arising from de-recognition / disposal of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized / disposed off.

(i) Depreciation / Amortization :

The company has charged depreciation on Property, Plant & Equipment on Written Down Value (WDV) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013. Depreciation on additions/ disposals during the year has been provided on pro-rata basis with reference to the nos. of days utilized.

Depreciation on additions/ disposals during the year has been provided on pro-rata basis.

Details of useful life of an asset and its residual value estimated by the management:-

Type of Asset	Useful Life as per management's estimate
Factory Building	30 Years
Plant & Machineries	15 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Vehicles	8 Years
Windmill Plant & Machinery	22 Years

(i) Impairment of Assets :

At each balance sheet date, the company reviews the carrying amounts of its assets to determine whether there is any indication that those assets suffered any impairment loss. If any such indication exists or when annual impairment testing for an asset is required, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. An impairment loss, if any, is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.

(ii) Leasing :

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Where the company is lessee

Company's leased assets comprise of lands. The company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a. Right-of-use assets

The company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term and the estimated useful lives of the assets. The right-of-use assets are also subject to impairment. Refer to the accounting policies in section (v) Impairment of property, plant and equipment and intangible assets.

a. Lease liabilities

At the commencement date of the lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date with no option for extension and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as Lessor

Leases in which the company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in other income in the statement of profit or loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

(vi) Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Recognition and Measurement

A financial asset is recognized in the balance sheet when the Company becomes party to the contractual provisions of the instrument. At initial recognition, the company measures a financial asset taking into account transactions cost that are directly attributable to the acquisition or issue of the financial asset.

Subsequent Measurement

a. Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

a. Financial Assets measured at Fair Value through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

Financial Assets which is not classified in any of the above categories are measured at FVTPL.

- **Investment in Associate**

The Company has accounted for its investments in Associate at Cost of acquisition less impairment loss, if any.

- **Other Equity Investments**

The company measures its equity investment (other than investment forming part of interest in associate) at amortized cost. Dividends from such investments are recognized in profit & loss as other income when the Company's right to receive the same is established. In the opinion of the management of company, book value per share is only the realizable value / fair value per share as on 31 March 2025, looking to the composition of the assets of the investee company.

- **Inventories**

Inventories of Raw Materials and Finished Goods are stated at cost or net realisable value, whichever is lower. Inventories of Waste & Scrap are valued at Net Realizable Value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'First in first Out Method'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

- **Trade Receivables**

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction amount which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

- **Cash and Cash Equivalents**

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, and fixed deposits, that are readily convertible to know amounts of cash and which are subject to an insignificant risk of change in value.

Cash flows are reported using the indirect method, whereby profit after tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

Financial Liabilities:

- **Borrowings**

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

- **Trade Payables**

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

(i) Provisions, contingent liabilities and contingent assets :

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

Contingent liabilities are disclosed by way of notes to the accounts. Contingent assets are not recognized.

(ii) Revenue Recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, except for the agency services below, because it typically controls the goods or services before transferring them to the customer.

Sales of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the equipment. The normal credit term is 30 to 90 days upon delivery.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g., warranties, customer loyalty points). In determining the transaction price for the sale of equipment, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any).

1. Variable consideration

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the sale of electronic equipment provide customers with a right of return the goods within a specified period. The Company also provides retrospective volume rebates to certain customers once the quantity of electronic equipment purchased during the period exceeds the threshold specified in the contract. The rights of return and volume rebates give rise to variable consideration.

► **Rights of return**

The Company uses the expected value method to estimate the variable consideration given the large number of contracts that have similar characteristics. The Group then applies the requirements on constraining estimates of variable consideration in order to determine the amount of variable consideration that can be included in the transaction price. A refund liability is recognized for the goods that are expected to be returned (i.e., the amount not included in the transaction price). A right of return asset (and corresponding adjustment to cost of sales) is also recognised for the right to recover the goods from a customer.

► **Volume rebates**

The Company applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The Group then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue. A refund liability is recognised for the expected future rebates (i.e., the amount not included in the transaction price).

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

(x) Retirement Benefits and other employee benefits:

Defined Contribution Plans :

Defined contribution to provident fund is charged to the profit and loss account on accrual basis.

Defined Benefit Plans :

Provision for gratuity liability is provided based on actuarial valuation made at the end of the financial year. Re-measurement of Defined Benefit Plan in respect of post-employment are charged to the Other Comprehensive Income.

Leave encashment expenditure, if any, is charged to profit and loss account at the time of leave encashed and paid. Bonus expenditure is charged to profit and loss account on accrual basis.

(xi) Foreign Currency Transactions:

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange difference arising on settlement of transactions is recognised as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the net gain or loss is recognized in the profit and loss account.

Foreign currency translation differences relating to liabilities incurred for purchasing of fixed assets from foreign countries are adjusted in the carrying cost of fixed asset for differences up to the year-end in the year of acquisition, whereas differences arising thereafter to be recognized in the profit and loss account. All other foreign currency gain or losses are recognized in the profit and loss account.

(xii) Borrowing Cost:

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Costs incurred in raising funds are amortized equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

(xiii) Taxes on Income:

Tax expenses comprise Current Tax and deferred tax charge or credit.

Current Tax:

Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions, in accordance with the provisions of The Income Tax Act, 1961.

Deferred Tax:

Deferred tax assets and liability is recognized, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising mainly on account of brought forward losses, unabsorbed depreciation and minimum alternate tax under tax laws, are recognised, only if there is a virtual certainty of its realization, supported by convincing evidence. At each Balance Sheet date, the carrying amounts of deferred tax assets are reviewed to reassure realization. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

(xiv) Earnings/(Loss) per Share:

Basic earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(xv) Segment Reporting :

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on the profit or loss and is measure consistently with the profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to CODM.

In accordance with Ind AS - 108 – “Operating Segments”, the Company has identified its business segment as "Manufacturing of UPVC pipes and fittings". There are no other primary reportable segments. The major and material activities of the company are restricted to only one geographical segment i.e. India, hence the secondary segment disclosures are also not applicable.

(xvi) De-recognition:

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for de-recognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(xvii) Offsetting :

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set-off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

3. KEY SOURCES OF ESTIMATION UNCERTAINTY AND CRITICAL ACCOUNTING JUDGEMENTS

In the course of applying the policies outlined in all notes under section 2 above, the company is required to make judgement, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factor that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

(i) Useful lives of property, plant and equipment and Intangible assets

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly depreciable lives are reviewed annually using the best information available to the Management.

(ii) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(iii) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(iv) Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility”.

(v) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits togetherwith future tax planning strategies.

4. Recent pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Group has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

1. We have audited the accompanying consolidated Ind AS financial statements of Captain Pipes Limited, Rajkot (CIN: L25191GJ2010PLC059094) (hereinafter referred as the "Holding Company") and its subsidiary Company (the Holding Company and its subsidiaries together referred to as "the Group"), and Captain Polyplast Limited, Rajkot (CIN: L25209GJ1997PLC031985)(hereinafter referred as the "Associate Company") which comprise the Consolidated Balance Sheet as at 31 March, 2025, the Consolidated Statement of Profit and Loss, including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the Material accounting policies and other explanatory information (hereinafter referred to as "The Consolidated Ind AS Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associate as at 31 March, 2025, the consolidated profit, including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

1. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group, and Associate Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended 31 March, 2025. These matters were addressed in the context of our audit of the the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.
2. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Completeness of revenue (as described in note 2(ix) (Summary of Material accounting policies) and Note 24 of notes to the financial statements for the year ended 31 March, 2025

Key audit matters	How our audit addressed the key audit matter
<p>The Company has revenue from sale of products which includes finished goods and scrap sales. The Company is engaged in manufacturing of PVC Pipes as per specification provided by the customers and based on the schedules from the customers.</p> <p>The Company recognizes revenue from sale of goods at a point in time when control of the goods is transferred to the customer, based on the terms of the contract with customers which varies for each customer. Determination of point in time includes assessment of timing of transfer of significant risk and rewards of ownership, establishing the present right to receive payment for the products, delivery specifications including Inco terms, timing of transfer of legal title of the asset and determination of the point of acceptance of goods by customer. Further, the pricing of the products is dependent on metal indices and foreign exchange fluctuation making the price volatile.</p> <p>Due to judgments relating to determination of point in time in satisfaction of performance obligations with respect to sale of products, this matter has been considered as key audit matter.</p>	<p>We performed the following audit procedures, amongst others:</p> <ul style="list-style-type: none"> • We obtained an understanding of the Company's sales process, including design and implementation of controls over timing of recognition of revenue from sale of goods and tested the operating effectiveness of these controls • We reviewed the Company's accounting policies for revenue recognition in context of the applicable accounting standard. • Obtained customer contracts on sample basis and read the terms to assess various performance obligations in the contract, the point in time of transfer of control and pricing terms. • Tested on a sample basis sales invoice for identification of point in time for transfer of control and terms of contract with customers. Further, we performed procedures to test on a sample basis whether revenue was recognized in the appropriate period by testing shipping records, good inwards receipt of customer, sales invoice, inco-terms etc. and testing the management assessment involved in the process, wherever applicable. • Attended and observed the inventory count performed by the management at year-end and obtained confirmations for inventory lying with third parties. • Circulated the confirmations for outstanding trade receivables on sample basis on year end, and performed alternate procedures for the confirmations not received. • We also performed various analytical procedures to identify any unusual sales trends for further testing • We assessed the disclosure is in accordance with applicable accounting standards.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

1. The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.
2. Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
3. In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
4. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

1. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including Associate Company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of Associate Company are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
2. In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and its Associates are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
3. Those respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated Ind AS financial statements.
- 3 Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
 - 4 We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 5. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 6. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the auditors on separate financial statements and the other financial information of the associate company, incorporated in India, we give in the "Annexure B" a statement on the matters specified in paragraph 3(xxi) of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;

 - (f) There are no such financial transactions or matters which have any adverse effect on the functioning of the Company;
 - (g) The qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith are as stated in the sub-paragraph (b) above on reporting under clause (b) of sub-section (3) of section 143 and sub-paragraph (k)(g) below on reporting under clause (g) of Rule 11;
 - (h) On the basis of the written representations received from the directors of the Holding Company as on 31 March, 2025 taken on record by the Board of Directors of the Holding Company and reports of the statutory auditors who are appointed under Section 139 of the Act, of its Associate Company, none of the directors of the Group company and its Associate Company, incorporated in India is disqualified as on 31 March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (i) With respect to the adequacy of the internal financial controls with reference to consolidated financial statement of the Holding Company and its Associate Company, incorporated in India, and the operating effectiveness of such controls; refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Group and its Associate Company.
 - (j) In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration for the year ended 31 March, 2025 has been paid by the Holding Company and its Associate Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (k) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- (a) The consolidated Ind AS financial statements disclose impact of pending litigations on the consolidated Ind AS financial position of the Group and its Associate Company.
 - (b) The Group and its Associate Company did not have any longterm contracts including derivative contracts;for which there were any material foreseeable losses.
 - (c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its Associate Company.
 - (d) The respective management of Holding Company and its Associate Company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us, to the best of its knowledge and belief, as disclosed in the Note No. 52 of the Consolidated Ind As financial statements attached herewith, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such Associate Company to or in any other person/s or entity/ies including foreign entity/ies ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such Associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries,
 - (e) The respective management of Holding Company and its Associate Company which are companies incorporated in India whose financial statements have been audited under the Act have represented to us, to the best of its knowledge and belief, as disclosed in the Note No. 53 of the Consolidated Ind AS financial statements attached herewith, that no funds have been received by the Holding Company or any of such Associate from any person/s or entity/ies including foreign entity/ies ("Funding Party/ies"), with the understanding, whether recorded in writing or otherwise, that the respective Holding Company or any of such Associate shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party/ies ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries,
 - (f) No dividend has been declared or paid during the year by the Holding Company and its associate companies, incorporated in India
 - (g) Based on our examination on test check basis, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and except for the instances mentioned below, the same has operated throughout the year for all relevant transactions recorded in software.
 - In case of Parent and its Associate Company, the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintain the books of account for the period 01 April, 2024 to 31 March, 2025.
 - In case of Holding Company, the feature of recording audit trail (edit log) facility was not enabled at the application layer of accounting software used for all other branched than Head Office for the period 01 April 2024 to 18 April 2024.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section

143 of the Companies Act, 2013 (the “Act”)

1. We have audited the internal financial controls over financial reporting of Captain Pipes Limited, Rajkot (CIN:L25191GJ2010PLC059094) (hereinafter referred as the “Holding Company”) and its subsidiary Company (the Holding Company and its subsidiaries together referred to as “the Group”), and Captain Polyplast Limited, Rajkot (CIN: L25209GJ1997PLC031985) (hereinafter referred as the “Associate Company”) as of 31 March, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date. .

Management’s Responsibility for Internal Financial Controls:

1. The respective Board of Directors of the Holding Company and its Associate company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control with reference to Consolidated Financial Statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility:

1. Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its Associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.
2. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.
3. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its Associate Company, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting:

1. A Holding company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

1. Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

1. In our opinion to the best of our information and according to the explanations given to us, the Holding Company and its Associate Company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31st March, 2025, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR 2024-25

1. A. CORPORATE INFORMATION

Captain Pipes Limited. (the "Holding Company") is a public company incorporated under the provisions of the Companies Act, 1956 and is engaged in the business of Manufacturing and Selling of UPVC pipes and fittings from its plant located at Survey no-257, Plot no. 23 to 28, N.N. no. 8-B, Shapur (Veraval), Rajkot-360004.

B. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements comprises of Captain Pipes Limited (the "Holding Company"), subsidiary Company (collectively referred to as "the Group") and its Associate Captain Polyplast Limited with investment holding of 13.76% in the Associate. Holding Company do not have any subsidiary company.

Principles of Consolidation

The Consolidated Financial Statements are prepared in accordance with the principles and procedures required for preparation and presentation of Consolidated Financial Statements. Investment in Associate has been accounted under the Equity Method as per Ind AS 28 - Investment in Associates and Joint Ventures. The Consolidated Financial Statements are prepared using the uniform accounting policies for like transactions and other events in similar circumstances. Under the Equity Method, on initial recognition, the investment in an associate is recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the date of acquisition. The investor's share of the investee's profit or loss is recognised in the investor's Other Comprehensive Income as laid down under Ind AS 1 – Presentation of Financial Statements.

2. MATERIAL ACCOUNTING POLICIES INFORMATION:

(i) Basis of preparation:

These consolidated financial statements are prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of Companies Act, 2013 and the rules made there under.

The financial statements are prepared on accrual basis and going concern basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for certain financial assets liabilities measured at fair value.

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle or 12 months or other criteria as set out in the Schedule III to the Companies Act 2013. Based on the nature of its business, the group has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities. The financial statements are presented in Indian rupees rounded off to the Lakhs of rupees and decimal thereof.

(ii) Use of Estimates:

The preparation and presentation of financial statements requires the management to make estimates, judgements and assumptions that affect the amounts of assets and liabilities reported as on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

Information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that may have significant impact on the amounts recognized in the financial statements are as below:

- Useful lives of property, plant & equipment
- Measurement of defined benefit obligations
- Provisions & contingencies.

(iii) Property, Plant & Equipment:

All the items of property, plant & equipment are stated at historical cost net of recoverable taxes, less accumulated depreciation and impairment loss, if any. The cost of an Property, Plant & Equipment comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into its present location and the condition necessary for it to be capable of operating in the manner intended by the management, and also taking into account the initial estimate of any decommissioning obligation, if any, and Borrowing Costs for the assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and its Associate Company and the cost of the item can be measured reliably.

The estimated useful lives of assets are in accordance with the Schedule II of the Companies Act, 2013.

Gains or losses arising from de-recognition / disposal of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised / disposed off.

(iv) Depreciation / Amortization :

The Holding Company has charged depreciation on Property, Plant & Equipment on Straight Line Method (SLM) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013. Depreciation on additions/ disposals during the year has been provided on pro-rata basis with reference to the nos. of days utilized. While Captain Pipes Limited works on different Accounting Estimation that depreciation on Property, Plant & Equipment on Written Down Value (WDV) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013.

Details of useful life of an asset and its residual value estimated by the Group and its Associate Company:-

Type of Asset	Useful Life as per management's estimate
Factory Building	30 Years
Plant & Machineries	15 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Vehicles	8 Years
Windmill Plant & Machinery	22 Years

(v) Impairment of Assets:

At each balance sheet date, the Group and its Associate Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets suffered any impairment loss. If any such indication exists or when annual impairment testing for an asset is required, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. An impairment loss, if any, is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use.

(vi) Leasing:

The Group and its Associate Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

Where the company is lessee

Associate Company's leased assets comprises of Plant & Machinery. The Holding Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group and its Associate Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a. Right-of-use assets

The Holding Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term and the estimated useful lives of the assets. The right-of-use assets are also subject to impairment. Refer to the accounting policies in section (v) Impairment of property, plant and equipment and intangible assets..

b. Lease liabilities

At the commencement date of the lease, the Holding Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Holding Company and payments of penalties for terminating the lease, if the lease term reflects the Holding Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Holding Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Group and its Associate Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date with no option for extension and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as Lessor

Leases in which the Group and its Associate Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in other income in the statement of profit or loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

(vii) Financial Instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial Recognition and Measurement

A financial asset is recognized in the balance sheet when the Company becomes party to the contractual provisions of the instrument. At initial recognition, the company measures a financial asset taking into account transactions cost that are directly attributable to the acquisition or issue of the financial asset.

Subsequent Measurement

a. Financial Assets measured at Amortised Cost (AC)

A financial asset is recognized in the balance sheet when the Group and its Associate Company becomes party to the contractual provisions of the instrument. At initial recognition, the company measures a financial asset taking into account transactions cost that are directly attributable to the acquisition or issue of the financial asset.

b. Financial Assets measured at Fair Value through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

Financial Assets which is not classified in any of the above categories are measured at FVTPL.

Investment in Associate

The Company has accounted for its investments in Associate Company at Cost of acquisition less impairment loss, if any.

Other Equity Investments

Share Holding by Captain PipesLtd : (Unquoted)

The Holding Company measures its equity investment (other than investment forming part of interest in associate) at fair value. The company's management has elected to present fair value gain and losses on equity investments in other comprehensive income. Dividends from such investments are recognized in profit & loss as other income when the Company's right to receive the same is established. In the opinion of the management of company, book value per share is only the realizable value / fair value per share as on 31 March, 2025, looking to the composition of the assets of the investee company.

Other quoted investments being investments in Mutual Funds are measured at fair value through Other Comprehensive Income.

Inventories

Inventories of Raw Materials and Finished Goods are stated at cost or net realisable value, whichever is lower. Inventories of Waste & Scrap are valued at Net Realizable Value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formula used is 'First in first Out Method'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group and its Associate Company.

Trade Receivables

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction amount which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, and fixed deposits, that are readily convertible to know amounts of cash and which are subject to an in significant risk of change in value.

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Group and Associate Company are segregated, accordingly.

Financial Liabilities Borrowings

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

Trade Payables

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

(viii) Provisions, contingent liabilities and contingent assets :

A provision is recognised when the Group and Associate Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group and Associate Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

Contingent liabilities are disclosed by way of notes to the accounts. Contingent assets are not recognized.

(ix) Revenue Recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group and Associate Company expects to be entitled in exchange for those goods or services. The Group and its Associate has generally concluded that it is the principal in its revenue arrangements, except for the agency services below, because it typically controls the goods or services before transferring them to the customer.

Sales of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the equipment. The normal credit term is 30 to 90 days upon delivery.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g., warranties, customer loyalty points). In determining the transaction price for the sale of equipment, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any).

1. Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the sale of electronic equipment provide customers with a right of return the goods within a specified period. The Group also provides retrospective volume rebates to certain customers once the quantity of electronic equipment purchased during the period exceeds the threshold specified in the contract. The rights of return and volume rebates give rise to variable consideration.

► **Rights of return**

The Group uses the expected value method to estimate the variable consideration given the large number of contracts that have similar characteristics. The Group then applies the requirements on constraining estimates of variable consideration in order to determine the amount of variable consideration that can be included in the transaction price. A refund liability is recognized for the goods that are expected to be returned (i.e., the amount not included in the transaction price). A right of return asset (and corresponding adjustment to cost of sales) is also recognised for the right to recover the goods from a customer.

► **Volume rebates**

The Group applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The Group then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue. A refund liability is recognised for the expected future rebates (i.e., the amount not included in the transaction price).

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Windmill energy income

Consideration for electricity generated by the windmill division and fed into the state power grid is received in the form of credit in the manufacturing division's power bill. Credits are recognised as income net of wheeling charges. Income so recognised is shown separately from the power cost under Other operating revenue

Other income is recognized on accrual basis provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

(x) Retirement Benefits and other employee benefits: Defined Contribution Plans:

Defined contribution to provident fund is charged to the profit and loss account on accrual basis.

Defined Benefit Plans:

Provision for gratuity liability is provided based on actuarial valuation made at the end of the financial year. Re-measurement of Defined Benefit Plan in respect of post-employment are charged to the Other Comprehensive Income.

Leave encashment expenditure, if any, is charged to profit and loss account at the time of leave encashed and paid. Bonus expenditure is charged to profit and loss account on accrual basis.

(xi) Foreign Currency Transactions:

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange difference arising on settlement of transactions is recognised as income or expense in the year in which they arise.

Monetary assets and liabilities related to foreign currency transactions outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the net gain or loss is recognized in the profit and loss account.

Foreign currency translation differences relating to liabilities incurred for purchasing of fixed assets from foreign countries are adjusted in the carrying cost of fixed asset for differences up to the year-end in the year of acquisition, whereas differences arising thereafter to be recognized in the profit and loss account. All other foreign currency gain or losses are recognized in the profit and loss account.

(xii) Borrowing Cost :

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Costs incurred in raising funds are amortised equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

(xiii) Taxes on Income :

Tax expenses comprise Current Tax and deferred tax charge or credit.

Current Tax:

Provision for current tax is made based on tax liability computed after considering tax allowances and exemptions, in accordance with the provisions of The Income Tax Act, 1961.

Deferred Tax:

Deferred tax assets and liability is recognized, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising mainly on account of brought forward losses, unabsorbed depreciation and minimum alternate tax under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realisation. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

(xiv) Earnings/(Loss) per Share:

Basic earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(xv) Segment Reporting:

The Chief Operational Decision Maker (CODM) monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on the profit or loss and is measure consistently with the profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting provided to CODM.

In accordance with Ind AS - 108 – “Operating Segments”, the Company has identified its business segment as "Manufacturing of UPVC pipes and fittings". There are no other primary reportable segments. The major and material activities of the company are restricted to only one geographical segment i.e. India, hence the secondary segment disclosures are also not applicable.

(xvi) De-recognition:

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for de-recognition under Ind AS 109. A Financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(xvii) Offsetting:

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

3. KEY SOURCES OF ESTIMATION UNCERTAINTY AND CRITICAL ACCOUNTING JUDGEMENTS

In the course of applying the policies outlined in all notes under section 2 above, the company is required to make judgement, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factor that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

(i) Useful lives of property, plant and equipment and Intangible assets

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly depreciable lives are reviewed annually using the best information available to the Management.

(ii) Impairment of Investment in Subsidiary

Determining whether the investments in subsidiary are impaired, requires an estimate in the value in use of investments. In considering the value in use, the Directors have anticipated the future commodities prices, capacity utilization of plants, operating margins, discount rates and other factors of underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above mentioned factors could impact the carrying value of investments.

(iii) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(iv) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(v) Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility".

(vi) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

4. RECENT PRONOUNCEMENTS

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Group and its Associate Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.
